

Sponsorship Prospectus

I would like to invite you to become a sponsor of the PVC Pipe Association's 2015 Annual Meeting to be held in Playa Herradura, Costa Rica, February 23 - 25, 2015. Sponsorship enables us to fulfill our commitment to promoting the PVC pipe industry and enhances the professional development of our membership through educational and networking opportunities.

We have an exciting lineup of speakers who will provide you with information on cutting-edge issues related to our industry. There are also many opportunities for your organization to maximize visibility in front of an audience who could benefit from your participation at the Annual Meeting.

Enclosed are options designed to increase brand recognition by engaging and networking with our attendees - the largest gathering of PVC pipe and fittings manufacturers and suppliers in the world. Based on your sponsorship selections, you will qualify to earn benefits at different levels with quantifiable incentives and added onsite visibility.

I wish to extend my sincere appreciation for your interest and support of the PVC Pipe Association. You can fax or email your interest level back to Amanda Cassidy @ 972-243-3907 or acassidy@uni-bell.org.

My best regards,

Amanda Cassidy
